

NAVITRAC[®]

NMA20

MIXED SERVICE ALL-POSITION

The Navitrac NMA20 is an all-position tire suitable for both on and off-road applications. The NMA20 was engineered with extended tread life in mind, and designed to deliver class-leading cut/chip resistance. The NMA20 is ideally suited for regional and local highway and mixed service applications.

Features and Benefits:

- Four rib design with zigzag patterns to minimize stone retention
- Shoulder notches for maximum traction in rough terrain situations
- Extra-deep tread design and unique compound for extended tread life

Applications:

- Regional Trucks
- Dump Trucks
- Mix Concrete Trucks
- Refuse Trucks
- Logging Trucks
