

Enhance Your Thrills with the WX2

The Enhance WX2 is a premium performance tire that's a great choice for driving enthusiasts seeking a sporty appearance, predictable handling and all-season traction.

- Full-depth grooves and sipes help deliver confident performance throughout the tire's life
- Large outside tread block provides responsive handling and stable cornering
- Angled grooves evacuate water for increased hydroplaning resistance

Enhanced Tread Design

In addition to the **GREAT TREAD FEATURES** of the LX2 and CX2, the WX2's tread also includes:

PENETRATED LUG GROOVES:

Provide increased hydroplaning resistance

INCREASED SIPES AND CROSS-DESIGNED GROOVES:

Boost grip in snowy conditions

Enhanced Engineering for Every Twist and Turn

Newly-developed, advanced tread compound for superior traction

Full nylon cap ply for high-speed stability

High-rigidity steel belts for durability and car stability

Reinforced bead apex for cornering strength
