PROGRAM ADMINISTRATOR – Automotive Business Solutions (ABS), located at P.O. Box 33535 Denver, CO 80233, facilitates the roadside assistance services for Tire America customers. Services provided by an independent network.

TO USE THE SERVICE – To use this service, call (833) 451-7602. You must provide your name, date of tire purchase, invoice number, location and our Program Code (TA365). Only calls made through the toll-free number are reimbursable. All other service providers are non-authorized, non-honorable and non-reimbursable.

THE SERVICE – The service is available 24/7/365 days a year. ABS will change your flat tire if a useable spare tire is available, and if not, tow your vehicle. Although response time is hard to predict, ABS seeks to have a service vehicle to you within an hour.

LIMITATIONS AND EXCLUSIONS

The service is covered up to \$100 per event for 3 events within 24 months. This benefit applies only to motorized passenger vehicles (automobiles and light trucks) and specifically excludes trailers, vehicles with a manufacturer's load rating capacity greater than one ton, motorcycles, recreational vehicles, commercial vehicles and any vehicle used for farm, ranch, agriculture or off-road use.
