LEGEND GT3 / LEGEND GT4

TOURING

The Eldorado Legend GT3 and GT4 are next-generation touring tires, designed for durability, traction and braking on dry and wet roads. The unique compound offers reduced fuel consumption and CO2 emissions. The durable construction offers a comfortable ride and is a smart choice for car owners who prefer a good balance between comfort and performance - safety for any situation!

FEATURES & BENEFITS

- Modern ventless, four-channel rib design provides year-round performance capabilities and efficient water evacuation
- Rib tread design reduces rolling resistance, offering excellent control, while its block design provides extended all-weather traction performance

SIZES

- Available in 13" - 16" T, H and V-rated fitments for expanded market coverage

FITS

- Sedans, coupes, and compact cars

TURBOSTAR HTR

HIGHWAY ALL-SEASON SUV/LT

The Turbostar has been a long top performer in our Eldorado program, and we are pleased to introduce the all-new Turbostar HTR. It's the perfect SUV tire for everyday on-road use, but the strong casing is also capable of tackling off-road terrain, too. This balance between outstanding handling for on-road and general off-road use is unique in this market segment. Plus, this tire offers longer mileage capability and superior all-round performance.

FEATURES & BENEFITS

- Tread pattern effectively reduces noise to create a quiet driving experience
- Precision-aligned tread grooves minimize irregular wear and promote superior handling and performance
- Features a specially formulated tread compound to provide long-lasting tread life and traction in all-season conditions

SIZES

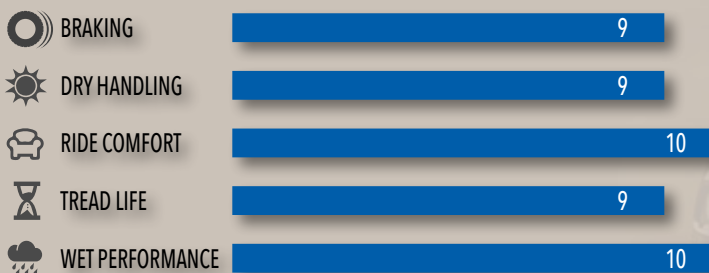

- Most popular 16", 17", 18", 19" & 20" rim diameters

FITS

- SUVs and Crossovers
